

**THE MESSENGER
WORKERS FOR MEXICO CHRISTIAN MISSION**

**THANK YOU FOR YOUR CONCERN, PRAYERS AND SUPPORT
FOR OUR EXTENSIVE WORK FOR THE KINGDOM IN MEXICO.**

We know it has been a challenging year for churches in the U.S. and Mexico. The offerings are down due to the Covid situation and the various restrictions. The Mexican churches have also been dealing with unemployment, Covid outbreaks and high prices on items. The border towns are also having the issue of thousands of migrants.

Our Monclova churches and Medical clinic have used the HASTEN van to reach out to many other villages in the desert. They provide the people with food, homemade dresses, gifts for children and medical and dental check-ups and medicines.

There are several of our construction projects on hold right now waiting for additional money for materials.

The university in Queretaro is into the fall semester after graduating a good class this past year. We have calls from several areas that are looking for ministers at their churches. The problem is they can't fully supply a living wage and right now we are unable to help.

The *Con Mis Manos* school for the deaf is working on expanding electrical capacity the city is unable to provide.

Reports are coming in on some innovative programs being started by our Mexican leaders and we pray we can continue to provide resources.

THE INTERNATIONAL CONFERENCE ON MISSIONS ICOM will be held this year at the Convention Center in Richmond, Va. Stop by our booths to visit and a free gift (Booth 307-309) Con Mis Manos (Jesus and Michelle) will be joining us
