Dear Workers for Mexico partners,

WE GIVE THANKS FOR YOUR CONTINUED SUPPORT FOR THE WORK ACROSS MEXICO. Many people and programs are blessed by your gifts. It has been a challenging time in Mexico as well as here in our churches. We are looking forward to healthier times.

The Spring season means plans are moving forward in the congregations for celebrating the Resurrection. Revivals are scheduled. We assist 54 evangelists—ministers in 12 states as they reach their people with the gospel.

We have many construction projects in various phases. Any special gifts or extra we have is being sent for materials as the Mexican volunteers work to build and expand. You can help by just designating the gift for *Construction*.

You can follow us on Facebook to get photos and reports. God bless you in your work. We would also be glad to update your congregation in person.

WINNING THE LOST, FEEDING THE CHILDREN, TEACHING AND CARING FOR THE DEAF, FREE MEDICAL CARE ALL BECAUSE OF YOUR GIFTS. GRACIAS
